Please take a look over the details. I tried to include as much as possible from our meeting notes. The extra costs include the labor for the extra details, edges, curves, etc. I also included extra material to build a wider leg like the photos of the inspiration pic. Please reach out with any questions.

Thanks

Eric

1	Custom White Oak Dining Table -We are starting with the Arhaus table design for inspiration and modifying to all solid hardwood white oak, with the clients dimension. -76 to 78 inch long. Confirm with client. -38 inch wide. -Boat cut top. Like the Arhaus table. An elongated taper on both length and width of table. -Corners rounded -Top edge with a round over - Bottom edge features two cuts. A shallow angle taper that gives a bit of a floating effect. Followed by a round over at the edge fading up into the side edge. -Client liked the coffee stain. We will collaborate more on color and prep color options for the client. -Legs feature a V shape, heavy round over outside edges giving the outside a round appearance. The inner vertical V surfaces to be flat, and a generous curve fading into the lower horizontal top edge of the V. - -Delivery not included.	\$4,435.00	0.00%	\$4,435.00
